ATTENDANCE Survey REPORT - Sarah Callaway

Report on District goal to improve graduation rates. Sarah has reported already to PAWS. Students nationally miss 2 days a month; Provo is one of the District in the area with serious problem with attendance. Demographics of survey matched with the demographics of our school. (Refer to hand out on statistics) We are tracking students that are not at school, and how it is affecting their academics.

Teacher Survey - Sarah Ashby

Look over teacher survey form - who will survey will come from, possibly from Qualtrics or Survey Monkey? Have teachers realize how parents can support them. Whatever feedback you get send it to Rene then Alex Judd would like to look at the questions. Add question "I would like to stay at the school for the next _____ years?" What do are teachers thought on this? Any feedback to get to Sarah Ashby.

Recess Policy - Sarah Ashby

There needs to be a policy that the students need to go to recess. The policy needs to be crafted. Rene will look into the district to know if there is a set in stone policy. CC feels that using it as a punishment is not ok. Action item Rene will look up the policy, talk to teachers and get back to CC.

Bathroom Renovation- Sarah Ashby

The bathroom doors are not locking in Wasatch too boys. No partitions in the boy's bathrooms by the urinals. Rene will talk with Jeannie and resolve this concern.

Discussion around the 2018-2019 Trust Lands Plan

In the past we have use it to lower classroom size, or for technology. We are currently using it for Intervention groups. We talked about the use of interventionist and how we have seen progress with our MTSS groups. This amount

it so maintain the interventionist. Equipment/ Technology - Rene is saving \$ for a new computer lab, once Provost is taken down then we get \$ for new microphones. What the alternative ways to use this money? Part is the intern- teachers salary, and interventionist. Is there evidence that interventionist is giving the benefits we have expected. Trends over time, with the inflects, what happens to our score.

Action Items:

Rene- Update goals of the school.

Trust Lands Plan:

- Administrators come with data about pre and post intervention dibels scores
- Administrators will present data about background and education of the interventionists and how many total hours we are paying for
- Administrators will come prepared to present any additional details about the trust lands plan
