Fees will be waived in accordance with the Utah State Board of Education standards for students whose parents or legal guardians verify evidence of inability to pay. Inability to pay is defined as those who are in state custody, foster care, or receiving public assistance in the form of Aid for Dependent Children, Supplemental Security Income, or are eligible according to Income Eligibility Guidelines July 1, 2019 to June 30, 2020. English and Spanish forms can be found at <https://schools.utah.gov/schoolfees?mid=4340&tid=3>. Case-by-case determinations are made by school administrators for those who do not qualify under one of the foregoing standards, but who, because of extenuating circumstances such as, but not limited to, exceptional financial burdens, loss of substantial reduction of income or extraordinary medical expenses, are not reasonably capable of paying the fee. (The receipt of unemployment compensation and/or reduced price school lunch does not constitute public assistance as defined above.) Applications for free and reduced lunch are a separate application and
