****Most helpful: Monetary donations are appreciated. The money will be used toward fieldtrips, class projects, activities, teaching materials and books. We are asking for donations of \$30.00. * There will be some field trips that cost extra money (for example JA City) and we will be asking for extra donations for those when the field trip becomes available.**

****A \$10 donation for each student is encouraged to pay for at-home access to Mandarin Matrix. (This donation is voluntary, but we encourage students to have access to the program for at-home use)**

"Notice: The items on this list are optional. No elementary school student may be required to bring any of these supplies to school. This list is compiled solely to provide information to parents or guardians who wish to voluntarily furnish supplies for student use. Equivalent supplies will be furnished by the school to all students free of charge as necessary."
