

Name _____

*Please initial each night that homework in each area is completed. Remember that you can substitute homework at any time (such as writing practice sentences instead of language arts one night, handwriting practice, etc.). Children should know all 100 Sight words by this time. If your child can pass these off in one minute or less, you can start working on learning to spell the first 10 that he or she misses. You may also go on to the next 200-600 that I have available. Please just let me know. Thank you!

January

	Monday 1/4	Tuesday 1/5	Wednesday 1/6	Thursday 1/7
