

Chinese Immersion ENGLISH Homework

Directions and Monthly Sign-Off Sheet

Dear Parents,

Here is the MONTHLY sign-off sheet for your child’s homework in English class. For each night listed, please help your child complete ONE language arts activity of his or her choice. These activities DO NOT have to be done in order (#1, #2, #3, etc.). Look through the list and pick the one that your child is most interested in or that your family has time for that night. These activities should mostly be review for your child (occasionally there may be a concept that we cover later in the month that they might not know at the beginning of the month) and your child should be able to do them independently for the most part. In addition to the language arts activity, your child should be reading the sight words at his or her level as well as 15 minutes of independent reading. Reading includes your child’s home reading “baggie” book as well as any supplemental reading (such as you reading to your child, etc.). Please feel free to write in your own activity (for example, one family had gone shopping and had their child read 10 labels in the store—great! Count it!). Just give a brief description in the box so that I can get a general idea of what you did. Children’s homework will be “checked” each MONDAY just to see that they are on-track and completing activities and on-track for having all activities completed by the end of the month. Homework will be collected on October 2, 2017.

Thank you!
Mrs. Porter
