

How to Access Your Child's SEP ZOOM Conference

Hello Parents,

We are doing Parent-Teacher Conferences online via Zoom again. Once you sign up for an SEP appointment on the school's web page, you will receive a confirmation email with the link to your child's conference.

You can also join your conference appointment by clicking the Zoom link below and then entering the **Zoom Meeting ID** for your teacher. The password to join each Zoom session is **satch**.

You can join Zoom by clicking here <https://zoom.us/join>.

This will get you into the 'waiting room' for your teacher. Please change the display name on your device to be your student's name so that the teacher knows who you are and can let you into the Zoom session to begin your conference.

We ask that you please be logged in and ready to start and then end on time. If you need more time than the conference allows, please schedule a separate meeting with the teacher.

If you have any questions, please call the front office (801) 374-4910.

Thank you,

Wasatch Admin and Teachers
