

Kindergarten Class Supply List 2022-23

All supplies will be donated to our class community, and not distributed personally. ☺

- 1 Individual full-sized backpack brought each day
- 1 sturdy three ring binder, solid color (1 inch wide) (PLEASE DO NOT LABEL!)
- 2 packages of smaller sized glue sticks (not "re-stick" glue sticks)
- 2 boxes of traditional "8 colors" crayons (regular sized—rather than thick)
- 1 package of Expo brand dry erase markers – Black, fine tipped ** (see bottom of page)

All Wasatch classrooms also request a \$25 donation to be used for classroom experiences and projects. This can be paid at the main office.

Please do not send any other school supplies to school. Those are terrific for home!

If you would like to donate any additional items, the following are always welcome:

- Sandwich sized zip style baggies
- Watercolor paint trays
- Q-tips
- Tissues

Thank you for your support and willingness to donate supplies for your student's classroom!

ALL classroom supply donations are optional.

Items will be used during the regular school day.

Please note that no child will be denied the opportunity to participate if school supplies or donations are not provided. Instead, items will be furnished by the school. No elementary school student is required to purchase and/or bring supplies to school in Provo City School District.
