August 1, 2022

Dear Friend of Wasatch School,

PAWS, the nonprofit parent/teacher organization at Wasatch Elementary School in Provo, is excited about their upcoming Fall Festival Fundraiser to be held on September 23, 2022. The Fall Festival is one of two fundraisers we hold during the year. The funds from this event go towards purchasing items for our classrooms and school that support and enhance the education of our children. Our event will be attended by educators, parents, relatives and community members.

We would love for your company to donate towards our fundraiser. We are looking for monetary donations, gift cards, and any other merchandise you would be willing to donate. All the profit goes directly to the classrooms and school. You will receive publicity that evening at the Fall Festival as well as in our weekly newsletter that goes home to every family with a student attending Wasatch Elementary School.

We appreciate your generosity and hope to hear from you soon. Thank you for your time.

Sincerely,

Kendall Thurston
Fall Festival Chair
