

Welcome to Miss George's Kindergarten Class!

Hello! My name is Miss Ariel George and I am so thrilled to have your child in my kindergarten class at Wasatch Elementary School this year. I have been thinking about them and anticipating the start of this school year for quite some time. I am positive that it will be an amazing year full of growth, fun, and learning. I am excited to get to know you and your child as we work together as a team to have a wonderful and successful year.

I wanted to take a moment to introduce myself. I grew up in Taylorsville, Utah. I love to read, play games, sing, watch movies, roller skate, hike, and learn. However, my very favorite thing to do is teach and be with your spectacular children! I studied Elementary Education at Brigham Young University and began my teaching career in 2020. This past year I attended Western Governors University and received my master's degree in English Language Learning in conjunction with my ESL endorsement.

I am passionate about each child and helping them reach their individual needs and full potential. I believe deeply in my students and strive to cultivate an environment of belonging, love, resilience, and tolerance.
