

As registration for kindergarten and 7th grade begins, we'd like to remind you of the required immunizations.

To attend **kindergarten**, a student *must have written proof* of receiving the following immunizations:

- **5 DTaP**
- **4 Polio**
- **2 Measles, Mumps, Rubella (MMR)**
- **3 Hepatitis B**
- **2 Hepatitis A**
- **2 Varicella (chickenpox)**

Proof of immunity to disease(s) can be accepted in place of vaccination only if a document from a health care provider stating the student previously contracted the disease is presented to the school.

To attend the **7th grade**, a student *must have written proof* of receiving the following immunizations:

- **1 Tetanus/Diphtheria/Pertussis (Tdap) booster ***Must contain pertussis*****
 - **Tdap required regardless of interval since last dose tetanus/diphtheria containing vaccine**
 - **Kindergarten dose does not count as booster requirement for 7th grade**
 - **Td is not acceptable**
- **1 Meningococcal Vaccine**
- **2 Varicella (chickenpox) or documentation of the varicella disease. This must be confirmed with documentation from a licensed healthcare provider.**

Exemptions:

To claim a personal, religious or medical exemption, the legal guardian must complete an online educational module (free of charge) and provide a copy of the certificate to the school. Information and the online module can be found at <https://immunize.utah.gov/immunization-education-module/>

If you do not have access to a computer, the online educational module may be completed at the Utah County Health Department or at the school.

For a medical exemption, a written notice from a licensed health care provider must be provided. The notice should state the physical condition of the student, and why that vaccine would endanger the student's life or health. Additionally, a copy of the online exemption certificate needs to be provided.

If you have a financial need for low cost vaccines, please contact the health clerk or the school nurse.

Thank you!
